YOUR SOLUTION FOR

Cage, Vault and Audit

Insight Cash is a digital platform that replaces paper slips, spreadsheets, and manual tasks with one connected system for cage, vault, and revenue audit operations. It automates drops, fills, tips, chip management, and audits while keeping every transaction recorded, secure, and instantly accessible.

Key Benefits

Efficiency: Automates manual tasks, saving time and reducing errors.

Cost Savings: Cuts labor, paper, and storage costs while freeing budget for growth.

Compliance: Strengthens internal controls and reduces risk of fraud or theft.

Scalability: Configures to each property's unique needs, from single sites to multi-property portfolios.

Confidence: Provides real-time visibility so leadership can make faster, smarter decisions.

More Ways Insight Cash Delivers on Value

Connected to Your Property

Insight Cash integrates with more than 130 systems including table games, slots, kiosks, loyalty, F&B, sportsbook, spa, bingo, and more. Operations connect in one place so reporting stays consistent and your team saves time, regardless of the vendors you use.

Paperless from Cage to GL

Every transaction is logged, time stamped, and instantly retrievable. Journal entries flow from cage to audit to your general ledger with a single entry.

Built for Every Property

From a single site to a multi-property portfolio, Insight Cash standardizes operations, centralizes audit teams, and delivers consistent results.

Smoother Shifts, Stronger Service

By reducing manual reconciliations, Insight Cash speeds closeouts for cashiers and bankers. Shorter lines and fewer vault bottlenecks mean smoother shift changes and uninterrupted service for guests.

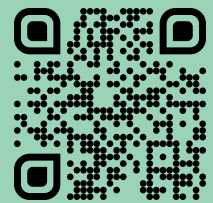

Better for Your Casino, Better for the Planet

Going paperless saves money and reduces waste, helping casinos cut costs while supporting sustainability goals.
